

Senior School Success for Oakwood pupils in 2025

We are incredibly proud of the hard work and achievements of our Year 6 pupils this year reflected in the number of competitive selective places offered to Oakwood pupils across a range of schools for Year 7. We are also thrilled to be celebrating the considerable number of prestigious scholarships achieved in academics, sport, creative arts and performing arts. The breadth of opportunity and ambition at Oakwood is clear, reflected in the pupils' achievements and personal progress. Oakwood School ensures pupils begin their senior school journey with academic strength and personal confidence. We are pleased to have strong links with a large number of both local independent and state senior schools with Year 6 pupils going on to a variety of schools every year.
